THE NEW YEAR'S EDITION. Highly Creditable as Piece of Genuine

One of the most satisfactory New Year editions of a newspaper anywhere in this section is that of The Norwich Bulletin. Every year it issues a special number that is highly creditable as a piece of genuine newspaper making. It is never stuffed, never exaggerated with a lot of features that merely fill space. It is the good, substantial, direct newspaper that it is all the year around, with the addition of a number of pages and special articles relating to its own field prepared by its own writers. There rae many excellent newspapers, but none better than The Bulletin.

With the edition referred to was

cellent newspapers, but none better than The Bulletin.

With the edition referred to was given a calendar in colors that will be especially appreciated by people along the shore. The picture represents the burning of the steamer City of New London on Nov. 21, 1871. That was a tragic event of the day, one in which a number of lives were lost. It occurred in the Thames river and is therefore consistent with The Bulletin policy of adherence to its own field, one that it fills with distinction.

Here's to The Bulletin! May it have a scoop on prosperity during 1916,

There were about 50 present at the January meeting of Faith Trumbull chapter, which was held on Tuesday afternoon with Mrs. Will L. Stearns of Huntington place. It was conducted by the regent, Mrs. C. Leslie Hopkins and opened with the singing of America, Miss Annie E. Vaughn at the plano. In the absence of the treasurer, Miss Fannie L. In response to an appeal from the Hartford chapter this society expressed its desire that the old state house in Hartford shall be preserved as an historical site and protested against its destruction.

A pretty feature of the afternoon's program was the singing of old chorals by eight of the daughters, present and future. These were Mrs. Augustus T. Sullivan, Mrs. William H. A Home Cure Given by One Whe Had It.

In the apring of 1823 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were tarribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isp't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.
